THE LIBERAL ARTS ADVANTAGE FOR SOPHOMORES

endeavor

explore, discover, connect, grow

A two-day career exploration program, Endeavor will bring together sophomores pursuing degrees in the liberal arts with alumni, faculty, and friends. Through lively conversations, hands-on activities, and career treks into Boston, participating students will explore, reflect, and learn how to act on their career interests and goals, while connecting the value of their liberal arts education to their future.

A no-cost program for sophomores in the liberal arts.
